

- (4) Utility, minor. A minor utility use shall comply with the following standards:
- (a) *Location.* Be located within reasonable proximity of the area to be served. Stormwater detention and retention facilities may be permitted by special exception permit on properties with less intense zoning district designations under common ownership, subject to the following requirements:
 - (i) The zoning designation of the location of the stormwater detention and retention facility allows minor utilities; and,
 - (ii) The stormwater detention and retention facility meets the compatibility requirements as set forth in Subsection 4.3.2(l)(4)(b); and
 - (iii) The stormwater detention and retention facility provides an enhanced natural (e.g., increased topographic relief, vegetative diversity, etc.) or recreational (e.g., perimeter trail, boardwalk, interpretive kiosk, etc.) functional use.
 - (b) *Compatibility.* Provide adequate setbacks, screening and buffering around the perimeter of the proposed use if it is deemed necessary to ensure land use compatibility with surrounding uses.
 - (c) *Exemptions.* The provisions of this subsection shall not be applicable when the differing zoning designations are both classified as residential districts or are both classified as business districts, as categorized in Table 3.1-1, Establishment of Base Zone Districts. Stormwater detention and retention facilities serving residential districts shall be permitted in business districts without special exception if included as part of a master stormwater permit or common development plan.
